1. Start with the black thread at the left. Make a reversed hand knot.

2. Continue with the blue thread that also was in the first knot. Make hand knots to the right until you get to the black thread on the right.

3. Make a reversed hand knot with the black one.

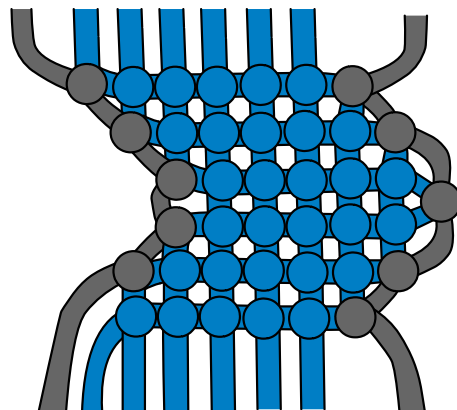

4. Repeat steps 1-3 and it will look like this.

5. Now you're going to turn to the left instead. Start with the blue on the right, and make five hand knots to the left.

6. Finish the row with a reversed hand knot with the black thread on the left, like in step 1.

7. After two more rows it will look like this. Start over at step 1.
